POP CONCERT ~ Friday March 9th

“PROUD TO BE CANADIAN” WAS A SUCCESS!! Another fabulous show was put on by our amazing coaches and talented skaters! Big THANK YOUs to all the parents that created awesome costumes, baked cookies, sold tickets and volunteered their time to keep the show running smoothly.

As much fun as this event was, it was also an evening of deep sentiment as it was the last Pop Concert to be held in this arena. Here is a message from our Head Coach, Colleen Laferriere:

“The Aldergrove Arena is where I have spent the last 37 1/2 years of my life in!! Tonight was the last Aldergrove Skating Club Pop Concert to be held in this arena. I've seen a lot of skaters come to this arena, learn to skate, learn to love skating, develop a passion that they then passed on to their children, who I am now teaching them how to skate, how to love skating and also to develop a passion. I overheard a skater ask their mother (who I also taught!!) if I would be around to teach their children!! Hum, I hope not, lol.! I've been blessed to work with some amazing people over my many years, coaches, executive members, parents that saw the passion in their children eyes and helped out in any way possible, some great parents were at the arena today doing an unbelievable job transforming our little arena into a magical place for our Pop Concert.. It is amazing to me every year that it all comes together and it is because of all those parents that make this happen. I truly believe that the Aldergrove Skating Club is the "little red engine"... I think I can, I think I can, I know I can, I know I can!!! Thanks Aldergrove Arena for 37 1/2 great years!! Let's see what the new arena brings us!!”

We look forward to seeing you all again at the new arena in September!!
